## 2011 Louisville Historical League Events

*Note: the following events are subject to change. Watch each month for post card announcement for final logistics of that month's event.*

February 20: Our meeting will take place at the new Kentucky Center for African American History where Walter Hutchins will provide a slideshow on African American historical markers

March 20: We visit the main headquarters downtown of the Louisville Water Company. The Water Company just published a marvelous new book and Kelley Dearing Smith will talk about it and the history of the Water Company.

April 17: We are planning a kick-off to the 150<sup>th</sup> commemoration of the Civil War with a talk by Bryan Bush. We hope to have this event at Farmington but that is still being coordinated.

May 15: Marianne will provide another excellent program for Preservation month at the Brennan House

June 26 – 4<sup>th</sup> Note our events always are on the 3<sup>rd</sup> Sunday – except for June and December. In June, our annual Ice Cream Social will be held at the Bashford Manor Bed & Breakfast. Cynthia Cooke is planning a very nice program for us there.

July: No meeting

August 21: Kenny Popp will talk on the Geology of Louisville

September 18: Our own Chuck Parrish and Rick Bell will talk on Steamboat history

October 16: And, we hope Kenny Karem (whom we have yet to schedule for his event) will lead us on a walking tour of Zachary Taylor National Cemetery

November 20: And, the Fenwick Lecture will feature another exceptional speaker that will be announced later this year.

December 4: Finally, we are changing our Holiday party in 2011. It will now be held on the first Sunday of December at 2 pm in the afternoon. We thought it was time for a change for this event.
